

## Panel Discussion 2

# “Forging Philanthropy-Business Partnership Towards Diverse, Equitable and Inclusive Society”

### Panelist

Ms. Lilibeth Aristorenas

Executive Director, Unilab Foundation Inc (Philippines)

A Development Entrepreneur focused on making positive change through innovation and collaboration anchored on social justice. With several years of extensive business and operational experience in nonprofit management, education and social enterprise. Demonstrated expertise in all areas of organizational leadership specifically humanizing the workplace; coalition-building to address urgent major societal issues requiring systemic change; social enterprise development; and resource mobilization and sustainability planning. Elizabeth or Lilibeth, is currently the Executive Director of Unilab Foundation, the corporate foundation of United Laboratories, Inc., the leading pharmaceutical and health care company in the Philippines and with a large presence in Southeast Asia. Lilibeth spearheads the social innovation lab in Unilab Foundation - incubating ideas, piloting solutions and promoting impact investments/partnerships to local and international organizations for scale and sustainability. She is also the Founding President of the Teacher's Gallery, one of the recognized leaders in advocating inclusive education and pioneering inclusive educational solutions. Lilibeth currently serves as the Board Chairman of Project Inclusion Network and the Center for Integrated STEM Trustee. She was also a member of the Board and Treasurer of the League of Corporate Foundations in 2017-2019. She is also a founding Trustee of STEM Leadership Alliance based in the United States. Lilibeth is a graduate of the University of the Philippines, Master in Business Administration and recently selected as one of the Distinguished Alumni Awardees for 2021. She is also a graduate of the University of Massachusetts Boston, Master of Science in Human Services.
